RE: A1,P3 Part 2  
Certification  
Design Letter  
Comments

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) for the Area 1, Phase 3 (A1,P3) Part 2 Certification Design Letter (CDL).

This document provides an approach for certifying A1,P3 Part 2, the area north of the railyard and east of the fire training area.

U.S. EPA previously approved the CDL with two minor comments and this letter is to document that U.S. DOE has adequately addressed and incorporated U.S. EPA's previous comments into the document.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
